Open Your Heart & Home: Host students and/or a faculty member

 **Thursday, October 15 – Saturday, October 17, 2026**

 **Host Center:** Providence Presbyterian Church | Hilton Head Island

Why Your Hospitality Matters

For nearly 50 years, the College Ethics Symposium has empowered college seniors to succeed in their future careers without compromising their integrity. As we return to full participation this year, we are welcoming nearly **80 student leaders and faculty members** to Hilton Head Island—and we cannot do it without you!

Opening your home offers students a warm, safe, and encouraging environment as they grapple with life's biggest ethical questions. Our host families consistently share that opening their home creates some very special memories. We would love for you to have the same opportunity.

Here is what you would provide:

- Lodging on Thursday (10/14) and Friday (10/15) nights - For up 2-4 students and/or a faculty member.
- Dinner on Thursday night if possible (cooking or ordering in is totally fine)
- Light Breakfast (think granola bar/pop tart – these are college students!) on Friday and Saturday morning
- Transportation to/from Providence will be provided by the faculty advisor (meaning not you!)
- Attend (if interested/available) Friday night appreciation dinner at Providence

We are currently building our host roster to ensure we can accommodate all incoming schools. **Indicating your interest today is not a final contract—it simply helps us plan!**

To RSVP or indicate tentative interest, please reach out to our team within the next week:
